MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Helicopter Operations at the Headquarters Building

REFERENCE : DDS Memo 64-5581 dated 29 October 1964

1. This memorandum is for information only.

2. Attached is a copy of a memorandum dated 4 November 1964 from the Safety Officer to the Chief, Transportation Division, OL, establishing minimum safety requirements for the operation of helicopters at the Headquarters Building. In our opinion, compliance with these requirements will provide adequate emergency fire fighting protection for the operations outlined in the reference.
